DERBY DAY

Derby day is here once again and we welcome our friends from Burnden Park to Gigg Lane this afternoon. Wanderers are enjoying their football just at present and especially so after reaching Wembley in the Sherpa Van Final. Good luck Trotters! In the League they extended their unbeaten run to eleven games on Tuesday when Steve Thompson scored in a 1-1 draw against Port Vale. Wanderers will have to overcome the Bury 'hoodoo' if they are to continue their run this afternoon, for The Shakers have held the upperhand in meetings since we resumed our League meetings in 1985. Four Bury League wins and a draw in five games to date leaves Bolton looking today for their first win against us since 1969 — and their first win at Gigg Lane since 1928-9 season! Let's hope we witness an attractive entertaining game this afternoon.

The winners of the Third Division Championship will pick up a £20,000 cash prize from sponsors Barclays Bank. Last season the prize was just £12,500, and the runners-up this year will also collect £5,000.

The team could so easily have brought back all three points from Mansfield last Saturday with Bury dominating the second half almost totally. Although several good goalscoring chances

unfortunately went begging Bury looked much more confident than of late and the players will enter the closing four fixtures in good heart.

On behalf of everyone at Bury Football Club, our deepest sympathies are extended to the people of Merseyside for the suffering they have experienced as a result of the horrific Hillsborough disaster. Everyone was shocked and dismayed at events and our heartfelt condolences are sent to those who lost loved ones in the terrible disaster. We are sure that the people of Merseyside will find the strength and fortitude to overcome the latest heartbreaking setback.

MCGUINNESS

Since writing in the last match programme, the team has picked up four points from the last two games with a hard fought home win against Cardiff City and a well-earned draw against Mansfield over at Field Mill. The players deserve a lot of credit for getting back on to winning ways after the recent run of poor results and the band of Bury supporters who travelled over to Mansfield last Saturday must have come away thinking that we should have won the game after dominating much of the second half. We started to play again like we did earlier in the season with some fine attractive attacking football.

It was good news to see Peter Valentine back in the side for those two games after injury. It was no coincidence that Peter's first two games back have seen us undefeated for he has slotted back into position very smoothly and has steadied the defence once again so that the back four looks a solid unit once again. Peter will be looking forward especially to this afternoon's game against his old club Bolton, as indeed will Simon Farnworth and Steve Elliott.

Bolton's season has reached a most definite peak

just at the current time after a number of troughs during the campaign. After a disastrous first half of the season Wanderers have now gone 13 games undefeated to steer clear of any relegation worries and have also reached the Sherpa Van Trophy Final at Wembley once again. Congratulations to Phil Neal for guiding Bolton to Wembley for the second time. Earlier in the season he was taking much criticism in the press and it is nice to see him answer those critics in the best possible way.

We are looking today to tighten the grip which we have held over Bolton in recent years. These local derbies are always waited upon eagerly by the fans and I hope that the players will treat everyone to an entertaining match.

I cannot close without reference to the tragic events at Hillsborough two weeks ago. Everyone involved in football was shocked by the terrible happenings and loss of life, and our thoughts are with the people who have suffered in the disaster. Our prayers go out to the victims and their relatives.

BOLTON WANDERERS

BOLTON WANDERERS F.C. — 1988/89

Back Row (left to right): Ian Callaghan, Gary Henshaw, Paul Hughes, David Felgate, Julian Darby, Ian Stevens, Chris O'Brien.
Middle Row: Phil Neal (Manager), Steve Carroll (Youth Coach), Nicky Brookman, Gary Brown, Stuart Storer, Trevor Morgan, Dave McKearney, Bob Savage, Jeff Chandler, Mick Brown (Coach), Phil Stock (Physio).
Front row: John Thomas, Steve Elliott, Phil Brown, Mark Came, Mark Winstanley, Dean Crombie, Barry Cowdrill, Steve Thompson.

Buoyant Bolton! That has got to be the call from Burnden Park these days as Phil Neal's men find the form which has eluded them throughout the major part of the season. Spending much of the time entrenched down in the lower reaches of the division, Wanderers had gone 13 games without defeat (10 League games, three Cup games) prior to Tuesday's home game against Port Vale. These results have seen Bolton push themselves up into relative mid-table safety and also reach their second Wembley appearance in the Sherpa Van Trophy Final following their two-legged win in the Northern final against Blackpool. Steve Thompson's extra-time penalty settled things over at Bloomfield Road and Bolton now head to Wembley on 28th May thanks to their 2-1 aggregate success. They will begin their Wembley game as hot favourites to overcome Fourth Division Torquay United as well.

Bolton, of course, gained promotion last season from Division Four when following a 1-0 win at Wrexham on the last day of the season, they pipped Scunthorpe United and Torquay United for the final automatic promotion spot. Phil Neal has kept faith with his successful squad for the return to the higher League and his only summer signings were both full-backs. Right-back Phil Brown was captured from Halifax Town for £17,000 and has been an inspiration in his captain's role, left-back Barry Cowdrill came on a free

transfer from West Bromwich Albion and has, like Brown, been an automatic choice this season.

After a reasonable start to the 1988/89 campaign, The Trotters hit a sticky patch after November, winning just three League games in a three-month spell. They were also eliminated from the F.A. Cup by Port Vale but their subsequent run in the Sherpa Van Trophy seems to have inspired Bolton's League form somewhat though and they have not tasted defeat now since losing 1-0 against Wolves at Molineux on 4th March. Good news also for Bolton is the return to scoring form of Trevor Morgan with two goals in recent games after enduring a spell of five months without a goal. Penalty taker Steve Thompson is the leading scorer currently with 11 goals, including four penalties, whilst Morgan now has nine goals to his credit.

At Burnden Park back in November Phil Brown and Steve Thompson scored for Wanderers in their 4-2 defeat by The Shakers, when goals by ex-Trotter Steve Elliott (2), Gary Leonard and Liam Robinson secured another fine victory over our neighbours. A 1-0 victory in the Sherpa Van preliminary game at Gigg Lane over Bolton did not prevent them from reaching Wembley and on behalf of everyone at Bury Football Club we wish our local rivals the very best of luck on 28th May.

BOLTON WANDERERS

As Wanderers prepare once more for Wembley, they can look back on their predecessors who were Wembley finalists in 1923, 1926 and 1929.

BOLTON WANDERERS - 1988/89

DAVID FELGATE (Goalkeeper) Commenced his career with Bolton as an apprentice but failed to make a first team appearance before being sold to Lincoln City for £25,000 although he had gained League experience whilst on loan to Rochdale and Crewe Alexandra. Returned to Bolton in February 1987 after spells with Cardiff City and Grimsby Town. An ever-present last season in the Wanderers promotion winning team and also voted Player of the Year.

PHIL BROWN (Full Back) Signed during the close season for a fee of £17,000 from Halifax Town. Commenced his League career with Hartlepool for whom he played more than 200 games. After his transfer to Halifax Town he scored 14 goals during 1986/87, a record tally for a full back.

BARRY COWDRILL (Full Back) Made his League bow with West Bromwich Albion in the First Division in 1980 after being secured from Sutton Coldfield. Has since made over 100 appearances for Albion and joined the Wanderers on a free transfer during the summer. He can also play on the left side of midfield.

ROBBIE SAVAGE (Full Back) Began his career as an apprentice at Liverpool but first appeared in the Football League whilst on loan to Wrexham. He has since played for Stoke, Bournemouth and Bradford City before joining the Wanderers in a £30,000 deal in September 1987. He grabbed the all-important goal at Wrexham last season that earned the Wanderers promotion to the Third Division.

DEAN CROMBIE (Full Back/Defender) A vastly experienced player with over 350 League appearances to his name, most of them with Grimsby Town whom he joined from Lincoln City. Joined the Wanderers from the Mariners 12 months ago and made 24 appearances last season in which he had a number of injury problems.

MARK WINSTANLEY (Defender) Has been on the fringe of the Wanderers first team squad for two seasons having come through the club's youth ranks. Made his debut at Bournemouth in March 1986 and having forced his way into last season's promotion-winning side he should make one of the central defensive positions his own during the coming season.

JEFF CHANDLER (Midfield) In his second spell with the Wanderers after commencing his career with Blackpool and Leeds United. Made 157 appearances in his first spell before joining Derby County with whom he won promotion to the Second Division. After a spell on loan at Mansfield Town he rejoined Bolton at the start of last season but made only three appearances after suffering from injury.

STEVE THOMPSON (Midfield) Made his League debut for the Wanderers in November 1982 having begun his career with the club as an apprentice. Has since made over 200 League appearances in three divisions of the Football League for the club and missed only two games last term.

JOHN THOMAS (Forward) Began his career with Everton although didn't play a League game for them he was allowed to gain experience at both Tranmere and Halifax on loan. Joined the Wanderers from Goodison at the start of 1980/81 season but failed to gain a regular place. Has since been with Chester, Lincoln and Preston with whom he was a consistent goal-getter and returned to Burnden at the start of last season. He was the club's leading scorer last term with 22 League goals.

TREVOR MORGAN (Forward) Made his League bow with Bournemouth who secured his transfer from non-League Leytonstone. After a short spell with Mansfield returned to Dean Court before moving to the South-West and spells with Bristol City, Exeter City and Bristol Rovers before moving back across Bristol to rejoin City. Moved to the Wanderers during the summer of 1987 and made 38 League appearances last term scoring seven times.

JULIAN DARBY (Defender/Midfield) The only Bolton-born player currently in the first team squad, Julian has worked his way up through the ranks making his League debut during the 1985/86 season. Has proved his versatility by producing gutsy performances at either right back, central defence or midfield.

STUART STORER (Midfield/Forward) First joined the Wanderers on loan from Everton towards the end of 1987. After three games he signed in a £25,000 deal and went on to make another 11 League appearances last term. Began his career with Mansfield Town before moving to Birmingham City and then on to Goodison. Has also had a loan spell with Wigan Athletic.

Open House

Every single person in the country must have been deeply moved by the unity and support of the football world and community at large after the Hillsborough tragedy. The arguments will rage on for a long while yet as to who was to blame, and how best to accommodate fans safely for future generations of supporters. The Anfield penalty at the time of writing was a sea of flowers from people around the country who have been responding magnificently in trying to understand the horrific tragedy which has befallen the football world. The loss of fans will hit each and every supporter in a different way over a period of time. Even the lowest level of the game will show its respect, by holding a minutes silence in memory.

On behalf of the fans, a collection was taken on the Mansfield coach and a tribute taken to Anfield the following day. As to show unity amongst fans, the Bury fans invited both Bolton and Oldham fans to join scarves and lay flowers. The Greater Manchester branch of the Football Supporters Association has also laid a tribute in the name of all local clubs.

May we never forget them. Let them rest in peace.

MEMBER OF

Division Three is turning up some topsy-turvy results once again just now – and none more so than up at the top where Wolves, Sheffield United and Port Vale are slipping somewhat. Wolves entered their Sherpa Van Southern final game at Molineux with a one goal lead from the first leg game at Plainmoor against Torquay, and yet they were beaten by two goals by the Fourth Division side in front of a 22,532 crowd and went slipping out of the competition. The gate brought record receipts of £91,137 but a Wembley appearance could have netted them around £250,000 so it is little comfort. Wolves slipped up last Saturday in the League also, dropping home points to Swansea City in a 1-1 draw. Vaughan put Wolves ahead but Colin West equalised for the Welshmen.

Sheffield United meanwhile faced two home games within four days this week and picked up just one point out of six. Amazingly though they remain

Round 3

favourites for the second spot. Last Saturday Tony Agana and Peter Duffield scored in the 2-2 draw against Brentford – a vastly improved outfit – and Agana scored again on Tuesday night in the 2-1 home defeat by Mansfield (his 25th goal of the season) who sneaked the points with an 82nd minute Kevin Kent goal after Keith Cassells had earlier scored. Port Vale's case of the jitters saw them lose at home recently to Bristol City but on Tuesday Robbie

Earle scored a late equaliser at Burnden Park to take home a useful promotion point in a 1-1 draw. The game also extended Bolton's unbeaten run to fourteen League and Cup games. Port Vale are away at Swansea today and Sheffield are at Fulham with this particular promotion issue looking like it will go into the very last match.

Bristol Rovers drew 1-1 at home to Northampton Town on Saturday and then surrendered fourth spot to Fulham on Tuesday when the Londoners won 2-1 at Aldershot. Fulham have fears once again regarding the future of their Craven Cottage ground now that owners Marler Estates is in the process of being sold, but they put any ground fears behind them at the Recreation Ground and won 2-1 with Clive Walker and Gordon Davies scoring to condemn Aldershot to relegation to Division Four – a fact which has stared them in the face all season. Fulham had defender Ron Mauge sent off for two bookable offences and Aldershot had striker Glyn Riley carried off injured. Fulham's 1-0 win at Wigan last weekend means that they are now hot favourites for a play-off place, having moved into fourth spot after really hitting form at the right time.

Brentford too are pushing hard for honours, taking a point home from Sheffield and then returning to Yorkshire in midweek and winning 2-1 at Huddersfield. Kevin Godfrey and Gary Blissett scored the Bees goals and Town continued their recent dismal run despite star striker Craig Maskell notching his 30th goal of the season. Brentford manager Steve Perryman also signed Oxford winger John Purdie this week on a free transfer. Gillingham look likely to join Aldershot in Division Four but under caretaker boss Damien Richardson, they won 2-1 away at Reading last weekend to raise their hopes of safety. They look like being joined in Division Four by any two clubs from Wigan, Blackpool or Chesterfield with The Seasiders looking certain to make the drop following an abysmal run of late. Chesterfield went to Bloomfield Road and won 2-1 last Saturday to make it a particularly gloomy time at the seaside. Dave Waller scored twice.

Spare a thought today though for the crunch match of the day in Division Four, where at Feethams 91st placed Darlington take on 92nd placed Colchester United. Only one point separates the teams with the ultimate prize being continued membership of the Football League. What a massive boost victory would be for either side. The crowd will be interesting too. What's the betting it reaches 10,000?

SIDE

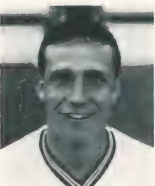

MEN IN THE NEWS

PETER VALENTINE finally returned to League action against Cardiff in our last home game after missing 14 League games through injury — something which has been foreign to the big defender since his arrival at Gigg Lane. He made his presence felt against the Welshmen with a steady performance which makes you wonder just what might have lay in store for Bury this season if such an important member of the side had not been sidelined for so long.

STEVE ELLIOTT knocked home his 11th goal of the season in our last home game against Cardiff City although amazingly he has scored his last eight goals away from Gigg Lane! Steve's strike against Cardiff was his first at Gigg Lane since 15th October when he scored in the 3-1 win over Brentford. He missed last Saturday's game at Mansfield through a back injury but should be available for selection this afternoon.

ANDY HILL and his wife Marion are to be congratulated on the birth of their second child recently. The latest addition to the Hill family is a healthy baby girl, a little sister for Andy's young son Scott.

* Jamie Hoyland, scorer of the equalising goal last Saturday at Mansfield, along with David Lee are still on course for completing the full League season without missing a fixture. Both players have appeared in all 42 League games to date as well as every cup tie this season.

* The last chance to cast your vote for the 1989 Player of the Season is this afternoon so pick up a voting slip from the Social Club, Development Office or programme hut today and deposit your completed slip at any of the same venues. All votes will be included in a draw for a free 1989/90 season ticket.

* A few tickets remain for the Supporters Association 1989 Presentation Evening at the Social Club on Monday 8th May. Entrance, by ticket only, is free and a buffet and entertainment is included but tickets are going fast and are strictly available on a first come first served basis. On the evening, we will also be running the popular 'Goal of the Season' competition won last year by Jamie Hoyland's gem at Old Trafford.

* Phil Parkinson served his one match suspension last Saturday and missed the game at Mansfield and so is available for selection once again today. Full-back Charlie Bishop appeared in midfield over at Field Mill and appeared to enjoy the role.

Phil Parkinson was nominated as Man of the Match for our recent home game against Northampton by the match sponsors Willowbridge Transport. The Bury midfielder is pictured here being presented with a bottle of champagne by Bury Director Mr Tony Noonan, who is also managing director of Willowbridge Transport. Commercial Manager Nev. Neville looks on.

SHAKERS SCRAP BOOK

It Happened on this Day

1896

Having completed our first season in Division One we embarked on our first Scottish tour. This day we played Greenock Morton and beat them convincingly 5-1. It was the third match (on consecutive days) of the tour. The other matches were against Paisley Abercorn (1-1) and Falkirk (0-6).

1899

We played Stockport County in a replay of the Final of the Manchester Cup. Having already beaten Newton Heath (Manchester United) and Manchester City to reach this stage it was generally expected that we would lift the trophy against our lower opposition. The original game had ended 2-2 with the replay at Bank Lane, the home of Newton Heath. Stockport raced into a 2-0 interval lead which was cut in the second half by a Jack Pray goal, but County held on to create a upset.

1903

We were the seasons cup kings in 1903. We had already won the F.A. Cup (v. Derby 6-0) and the Lancashire Cup (v. Everton 1-0) when we faced Manchester City in the Final of the Manchester Cup at our opponent's Hyde Road ground. We were a big attraction for our Second Division neighbours as an expectant crowd of 18,000 gathered. They were not to be disappointed as the two teams could not be separated, even after a period of extra time. Plant and Lamberton scored our goals which meant that we shared the trophy.

1911

An end of season relegation fight from the First Division had reached crisis point on the last day of the campaign. Nottingham Forest had already been relegated but it was between ourselves and Bristol City for the other unwanted position. We held a one point advantage over City but had an inferior goal average. The vital fixtures saw both clubs at home, Bristol City to Everton and ourselves to Sheffield United, but more ominously we had failed to score in any of our last five games. Things began to look up for us when Tom Kay gave us a first half lead but this was wiped out in the second half when United scored. At the end of the game virtually the entire crowd stayed on for a quarter of an hour awaiting the dreaded news from Ashton Gate. A Bristol win and we would be relegated for the first time in our history. Eventually Chairman Albert Duckworth returned to the Directors box and announced to the hushed crowd that Everton had won 1-0 and a tremendous cheer shook the ground.

1916

The first season of war-time football ended in defeat, 2-0 at Preston North End, before only a handful of spectators.

1922

Two mid-table sides, ourselves and Fulham, battled out the season at Gigg Lane before 8,000 fans. A lone strike from Norman Bullock kept the points in Lancashire. The game was notable for the playing of an amateur player called Paton. He played under a false name to prevent other scouts signing him before we had assessed his ability. His real name was James Porter who went on to play around 500 games for us up to 1935 when he took up another 20 years backroom service.

1924

Supporters are urged in the local paper not to telephone the club on Saturday for news of Derby's home game with Leicester City which would determine whether or not we would be promoted to the First Division. The club advised spectators to come to the reserve game where the score would be relayed every 15 minutes.

1933

We finish fourth in Division Two and are given an attractive last home fixture, against Champions Stoke City. Having been 2-0 ahead at the interval we held on to win 3-2 and become the only team to do the double over the team who had been inspired all season by a young Stanley Matthews.

1936

Thousands of Manchester United fans in a crowd of 31,562 celebrate a 3-2 win at Gigg Lane which secures them the Second Division title.

1950

We crash at Leeds United 4-1 to finish in the bottom half of Division Two. George Griffiths scores our consolation goal.

1961

The final fixture of the season sees us fail to score for the first time in 19 games but at the same time also extends our unbeaten run to 18 games. We are Third Division Champions with a record 68 points, 108 goals and 12 away victories.

1978

We battle out a drab 0-0 draw at lowly Oxford United. The only real chances of the game fall to ourselves but neither Jimmy McIlraith or Craig Madden could capitalise.

1980

Thousands of Blackburn Rovers supporters celebrate a 2-1 win at Gigg Lane which sends them back to Division Two. They were made to fight all the way as Steve Johnson gave us a fourth minute lead. However, Andy Crawford struck in the 24th and 69th minutes to secure the win. He also missed a chance of his hat-trick missing a 75th minute penalty. We reversed the scoreline four days later at Ewood Park to prevent Rovers winning the Championship but it also failed to keep us in the Third Division as we were relegated by a single point.

THE COMMUNITY PROGRAMME IN PROFESSIONAL FOOTBALL

Bury Football Club Company Ltd.

Gigg Lane, Bury,
Lancashire BL9 9HR

Tel: (061) 797 5423

Today we would like to give a warm welcome to Bolton Wanderers Football Club. Especially Gary Pierce, Gary as many Bury fans will probably know spent some time at the club as a Goalkeeper and is well known throughout the Bury area. Now his job is running the Community Programme in Professional Football at Bolton Wanderers where

over the past few years he has been very successful.

I just want to let you know what has been going on in Bury Football Club's Community Programme recently. We have been working very hard in promoting ladies football, so if you are interested, or if you know someone who is interested in playing for Bury Football Club's Ladies team, then please do not hesitate to contact me at the Club, either by phone or by letter.

Also we have been promoting football for the unemployed and hold coaching sessions down at Lower Gigg every Monday and Thursday mornings. Again if you are interested or know of anyone who is, please contact me at the Club.

An American soccer team who have an Under-13's and Under-16's team will be touring around this area at the end of June start of July. We hope to have 2 teams representing Bury Football Club playing them at the Derby School within this period. But what we are really looking for is people to accommodate the boys when they are staying around the area. If you are interested in accommodating any of the boys for a short period, could you please let me know as soon as possible.

Finally we have been working very hard at Bury Football Club over the past two seasons to improve the Youth Development side of the Club. Again we are looking for ideas to improve it even further and our School of Excellence which consists of boys under 13 and under 14 from schools around the area will be giving a skills display before our final League game against Bristol Rovers. We hope you will come early and support them, because the School of

Excellence consists mostly of local boys from around the Bury area and would like to show you how skilful they are.

Lets hope that todays game will be a show piece for both sets of supporters. Naturally in the end I hope it will be another League win for the 'Shakers'.

PFA AWARDS

Sammy McIlroy was picked by his fellow Third Division professionals as a member of the divisional all-star team for 1988/9 season, which is voted for by all players. Sammy has missed just one game this season, scoring two goals and he remains as popular a player with the Gigg Lane supporters as he apparently is with his playing colleagues.

Also honoured in the Third Division all-star line up was

Bolton Skipper Phil Brown who has been consistent throughout the season following his summer move from Halifax.

Team: Martyn (Bristol R), Brown (Bolton), Yates (Notts Co), Newman (Bristol C), Coleman (Swansea), Walker (Port Vale), Mooney (Preston), McIlroy (Bury), Bull (Wolves), Mutch (Wolves), Ogana (Sheff. U).

IN RESERVE

In a rearranged Lancashire League fixture played on the artificial surface at Albert Park, Salford. Both teams found it difficult to play to any standard as through balls continually ran too fast on the plastic surface. In the opening minutes both sides missed virtual open goals and Bolton Wanderers took the lead after twenty-five minutes, goalkeeper Peter Cole and centre-half Adam Ashworth getting involved in a mix-up and allowing the Wanderers to sidefoot home into an empty net for an easy opening goal.

It was an even first-half though and Bury equalised after forty minutes. A through ball from Newbery split the defence and some good running from Seabrook earned him the chance to shoot past the goalkeeper. It was a good finish and

the half-time scoreline of 1-1 was a fair reflection of proceedings.

In the second half the game became rather scrappy and the defences of both sides were well on top. Balls were continually played in the air which ran through too fast on the plastic surface and not a lot of football was played. Bury gained the winner with five minutes to go and it was a scrappy effort as a mix-up in the Wanderers area saw the ball bobbing around, eventually falling to Gordon Hurst who sent the ball past the goalkeeper.

Team: Cole, Bradley, Newbery, Ashworth, Atkin, Holland, Bennett, Bridge, Seabrook, Brown, Hurst.

MATCH REVIEW

MATCH REPORT

Saturday, 8th April, 1989
ALDERSHOT 4 BURY 1
Barclays League Division Three

Four goals in an eleven minute spell during the second half sent Bury tumbling to an undignified 'double' defeat at the hands of bottom of the table Aldershot, as The Shakers caved in after taking a first half lead.

THE SHOTS REVIEW

Bury's first goal in five games came after 22 minutes when Terry Pashley cut in from the left and sent a low shot past Lange. The team then proceeded to dominate the first half, so much so that Aldershot hardly threatened Simon Farnworth's goal. The second half was to see a dramatic collapse though, with Puckett, hitting the bar within just three minutes of the re-start — something of a warning of what was to follow! After 69 minutes a puzzling penalty awarded against Andy Hill changed the course of the game, Puckett duly converting. 73 minutes: McDonald put the home side ahead from a Smith cross. 78 minutes: Claridge scored number three. 81 minutes: Puckett scored his second goal of the game with the Bury defence standing and watching. The Shakers had their chances to score but the collapse was most worrying.

Aldershot: Lange, Brown, Phillips, Burvill, Smith, Anderson, Stewart, Puckett, Claridge, McDonald, Barnes. Subs: Wignall, Mazzoni.

Bury: Farnworth, Hill, Pashley, Hoyland, Fazackerley, Clements, Lee, Greenwood,

Elliott, McIlroy, Parkinson. Subs: Valentine (Fazackerley), Hulme.

BURY 1 CARDIFF CITY 0
Barclays League Division Three

It took just five minutes for Steve Elliott to put The Shakers ahead against Cardiff City and end a spell of 306 minutes football at Gigg Lane without a Bury goal. A Lee cross was flicked on by Liam Robinson and Elliott sent the ball past George Wood in the Cardiff goal. The early lead didn't really prove to be the boost that it was expected to be though and the visitors went on to create several attacking moves of their own, looking confident after their midweek win at Sheffield United. In front of goal though they seldom looked threatening.

Peter Valentine, back after a long absence, proved just the man needed to steady the Bury defence as the team kept a clean sheet for only the fifth time this season. He was a tower of strength and looked as though he had never been away from the action. Cardiff's best chance of scoring came from substitute Chris Fry — an 18-year-old striker making his debut — who sent a long range shot against the bar. Second half chances for Elliott, McIlroy, Hoyland, Pashley and Parkinson all went begging though and it was a case of being thankful for the three points, a welcome win and a stepping stone to better things.

Bury: Farnworth, Hill, Pashley, Hoyland, Valentine, Clements, Lee, Robinson, Elliott, McIlroy, Parkinson. Subs: Bishop, Greenwood.

Cardiff: Wood, Rogerson, Platnauer, Morgan, Abraham, Stevenson, Gibbins, Bate, Gilligan, Wheeler, Lynex. Subs: Curtis, Fry.

THE CARING FACE OF FOOTBALL

Strenuous efforts are being made to provide modern facilities for the safety and comfort of all football spectators.

This year, more than £1.25 million will be spent on improvements projects at Football League grounds and areas for people with disabilities form a major part of this programme. 1989 will see further initiatives including new and better toilet facilities and additional enclosures for family support.

The Football Grounds Improvement Trust is responsible for all these measures. Each year it receives £4.5 million from the Spotting-the-Ball competition run by Littlewoods, Vernons and Zettlers and spends it on schemes to improve standards at British football stadia.
